

# Trisuli River Rafting - Every Day Departure Itinerary & Cost,

## Introduction

**The Trishuli River** is one of the famous rivers rafting in Nepal. It has nearest Rive from the capital of Kathmandu down in Nepal. It has offered gorgeous views and exciting rapids and impressive ravine. White water river rafting in Trisuli River offers the several alternatives of a day rafting in as like. One day rafting, 2 days, 3 days, it has your holidays and plan. The Trisuli river rafting we can organize the year as it is easily accessible from Kathmandu.

**The Trisuli rafting** features class III+ rapids with our train guides as the helm, rafting group will safely find the way the most tumultuous bends and Challenging chutes. You will be navigated through famous rapids as like:-Upset, ladies delight, surprise, s bend, and pinball. Rafting on the Trisuli river provides enough action to keep white water veterans on the edges of their seats, surprisingly though is safe for the children and first-time rafter' as well.

We are organizing the transposition from Kathmandu 7: am in the Morning to the begging of this rafting adventure at the Charaudi village. It takes to 2-3 hour from Kathmandu to rafting point. you can go private car or tourist coach, it depends on your budget, after reaching the rafting point then preparation, orientation and safety briefing for our raft guide, we are 4-hour rafting from the Charaudi river and it had ended around 3 pm in the Kurni tar.

After end u can drive back to Kathmandu or u can go to Pokhara. Chitwan or other many options, it has depended on your Holidays with the schedule.

if you have time u can do other rafting also we have many rafting areas, Like a sunkshi river, seti river other much more.

So for further details information, you can query any time by email, phone or WhatsApp, we can design for you regarding your plan and schedule.
